

Health and Safety Policy Statement

Simply Warmer recognises that the disciplines of Health and Safety are an integral part of its management function.

Our organisation views these disciplines as a primary responsibility and recognises the adoption of appropriate Health and Safety Standards as key to the provision of excellent service delivery.

Our organisation's Health and Safety Policy calls for continuous improvement in its Health and Safety management activities, and business is conducted according to the following principle.

We will:

- Comply with all applicable laws and regulations
- Follow a concept of continuous improvement and make best use of management resources in all matters of Health and Safety
- Communicate our objectives and our performance against these objectives throughout the organisation and to all interested parties
- Take due care to ensure that all our activities are safe for employees, subcontractors, customers and others who come into contact with our work, including the general public
- Work closely with our employees, subcontractors, customers and other stakeholders to establish the highest Health and Safety Standards
- Adopt a forward-looking view on business decisions that may have a direct impact on Health and Safety
- Train all our employees, subcontractors and relevant stakeholders in the needs and responsibilities of Health and Safety management
- Support all those who refuse to undertake work on the grounds of Health and Safety
